

A 3D rendering of a grey screw with a cross-shaped head and a threaded shaft. The screw is oriented diagonally from the bottom-left towards the top-right. The head is a rounded cylinder with a cross-shaped recessed pattern. The shaft is long and features a series of parallel ridges representing the threads. The entire object is rendered in a uniform grey color with soft shading to give it a three-dimensional appearance.

- **Category:** Machine Screws
- **Head Style:** Pan Head
- **System of Measurement:** Metric
- **Drive Style:** Cruciform Recess Drive
- **Drive Detail:** Pozidriv Type Z
- **Thread Length:** Full Thread
- **Thread Direction:** Right-Hand Thread
- **Material:** Stainless Steel
- **Material Grade:** A2 Stainless Steel
- **Coating:** Uncoated
- **Standards and Specifications:** DIN 7985A / ISO 7045

SCALE 6.350

PART NUMBER: ME527-305X25
