

Specifications for: M2-0.4 X 8mm DIN 920, Metric, Machine Screws, Small Pan Head, Slotted Drive, Full Thread, A2 Stainless Steel

Notes:

- Category: Machine Screws
- System of Measurement: Metric
- Head Style: Small Pan Head
- Drive Style: Slotted Drive
- Thread Length: Full Thread
- Thread Direction: Right-Hand Thread
- Material: Stainless Steel
- Material Grade: A2 Stainless Steel
- Coating: Uncoated
- Origin: Origin Undefined
- Standards and Specifications: DIN 920

|                                                                                                               |                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |                                                                                                                                    |                      |
