

Technical drawing of a bolt and nut assembly. The drawing includes a top view of the bolt head (a hexagon inscribed in a circle) and a side view of the bolt and nut. The bolt has a diameter of 16.00 mm (tolerance 0 to -0.27) and a length of 22.00 mm. The nut has a diameter of 10.00 mm (tolerance 0 to -0.22) and a height of 6.50 mm (tolerance 0 to -0.22). The bolt is labeled M10-1.5. Dimensions are given in millimeters with tolerances in parentheses.
