

A 3D rendering of a long, cylindrical, ribbed object, possibly a medical device or a component of a machine, shown at an angle. The object has a series of horizontal ridges or ribs along its length. One end is flared out into a wider, circular shape. The object is shown in a perspective view, giving it a three-dimensional appearance.

- **Category:** Machine Screws
- **Head Style:** Flat Countersunk Head
- **System of Measurement:** Metric
- **Head Style Detail:** 90 Degree Countersink
- **Drive Style:** Slotted Drive
- **Thread Length:** Full Thread
- **Thread Direction:** Right-Hand Thread
- **Material:** Stainless Steel
- **Material Grade:** A4 Stainless Steel
- **Coating:** Uncoated
- **Standards and Specifications:** DIN 963 / ISO 2009

SCALE 8.106

PART NUMBER: ME196-25045X30
